

# HEALTHCARE MANAGEMENT MBA (MBA-HCM)

Quinlan's MBA in Healthcare Management develops professionals who are effective, responsible leaders with the knowledge, skill, and understanding to successfully manage and lead in any segment of the dynamic healthcare industry.

Whether you are in the hospital or non-hospital sector, we will strengthen your business knowledge, management skills, and leadership capacity to improve the healthcare delivery system.

The Quinlan School of Business offers four MBA programs. Learn which one best fits your needs through our MBA guide (<https://www.luc.edu/quinlan/academics/graduatedegrees/mba/pickinganmbaprogram/>).
