Second Term		
Electives	Choose 4 Credits of Elective Options	4
Total Hours		**8**

Degree Requirements

To earn a Certificate in Privacy Law, students must complete a total of 8 credit hours. Visit the Registrar (https://www.luc.edu/law/currentstudents/registrar/) for a complete list of degree requirements, academic calendars, and registration process. Full course descriptions are available here (https://catalog.luc.edu/graduate-professional/law/#coursestext).

Graduate & Professional Standards and Regulations

Students in graduate and professional programs can find their Academic Policies in Graduate and Professional Academic Standards and Regulations (https://catalog.luc.edu/academic-standards-regulations/graduate-professional/) under their school. Any additional University Policies supersede school policies.

Learning Outcomes

By the end of this program, you will be able to:

- Describe international and domestic privacy and information security laws and regulations.
- Integrate laws and regulations into operational policies and procedures to yield best practices for data privacy and information security.
- Respond to a variety of privacy breach scenarios and demonstrate improvement in skills necessary for success in a variety of privacy industry roles.
- Demonstrate the skills necessary for basic industry certification exams by the International Association of Privacy Professionals and other professional organizations.
