

SOCIAL AND BEHAVIORAL SCIENCES (AA) + NURSING (BS)

Dual enrollment programs are based on agreements between Arrupe and another Loyola college. In addition to earning an A.A. from Arrupe, you begin taking courses at another college while still working toward your A.A. After graduating with an A.A. in 2 years, you earn a bachelor's degree in 2-3 years from another Loyola college.

Learning Outcomes

- Communication:** You will communicate effectively, using written, oral, and visual modes appropriate to your audience and purpose.
- Quantitative Reasoning:** You will understand, analyze, and evaluate numerical data and use it to draw or evaluate conclusions.
- Critical Thinking:** You will analyze, synthesize, and evaluate diverse information, ideas, and perspectives in a contextually appropriate manner. You will demonstrate an awareness of your own thinking and decision-making processes, and their importance in academic and non-academic settings.
- Ethical Reasoning:** You will demonstrate historically grounded awareness of ethical concepts and frameworks. You will evaluate, articulate, and apply ethical reasoning in decision-making, showing awareness of the intersectional² and historical nature of the relationships/situations being studied.
- Social Justice:** You will reflect on social, political, and historical events, contexts, and norms that lead to injustice, and then articulate responses that respect and promote the welfare of all beings in global and intersectional² communities.
- Diversity, Equity, and Inclusion:** You will connect academic knowledge to lived experience in order to identify and critique how diverse thinkers¹ contribute to knowledge in and outside academia.

¹ "Diverse thinkers" refers to the many dimensions of human identity and experience as defined in intersectionality, below.

² Intersectionality addresses multiple contexts, such as gender, sexuality, race, class, culture, religion, and disability, with attention to power structures that have privileged some identities over others.
