

# EUROPEAN STUDIES INTERDISCIPLINARY PROGRAM

---

The College of Arts and Sciences' interdisciplinary European Studies Minor explores the history, politics, economics, and cultures of the peoples of Europe from ancient times to the present.

It is designed to appeal to students who are interested in gaining a deeper understanding of European nations, cultures, and people, who want to explore their own European heritage, or to complement their majors in areas such as Anthropology, Classics, Fine and Performing Arts, History, Global Studies, Modern Languages and Literatures, Philosophy, Political Science, Sociology, or Theology.

## Undergraduate Programs

- European Studies Minor (<https://catalog.luc.edu/undergraduate/arts-sciences/european-studies/european-studies-minor/>)

## Undergraduate Policies and Procedures

Please see Undergraduate Policies and Procedures (<https://catalog.luc.edu/academic-standards-regulations/undergraduate/>) for academic policies that supersede those of academic units within the University.

## European Studies (EURO)

### **EURO 101 Introduction to European Studies (3 Credit Hours)**

This course serves as an introduction to the interdisciplinary field of European studies. It provides an overview of the major disciplines represented in the program, introduces the main approaches covered in the program, and discusses some of the most important topics involving European states, regions, and the European Union. Restricted to European Studies minors.

*Interdisciplinary Option:* European Studies

*Outcomes:*

Students will gain a basic understanding of how different disciplines contribute to the study of Europe at the state, sub-state and supra-state levels

### **EURO 301 European Studies Capstone (3 Credit Hours)**

This capstone class is intended to provide seniors a chance to reflect on what they have learned as European Studies minors by focusing on a particular theme. The class takes an interdisciplinary and cross-national approach. Students develop a major research project. Restricted to Juniors and Seniors minoring in European Studies.

*Interdisciplinary Option:* European Studies

*Outcomes:*

Through this course students will gain an understanding of the ways in which various fields and their approaches to European Studies can help answer specific important questions about the region
