

DRAWING, PAINTING AND PRINTMAKING MINOR

The minor in Drawing, Painting & Printmaking is often added as a secondary focus of study in order to complement or enhance a student's major or chosen career path. Students may also choose to add the minor in order to pursue an area of interest without the responsibility of a major (<https://catalog.luc.edu/undergraduate/arts-sciences/fine-performing-arts/drawing-painting-printmaking-ba/>).

The minor embodies many of the key historical, critical, theoretical, methodological and contextual elements embedded within the more comprehensive framework of the major.
