

ENTREPRENEURSHIP MINOR

Students who wish to expand their skills in entrepreneurship may pursue a minor in this field. The minor in entrepreneurship provides excellent foundational knowledge of strategic aspects of the entrepreneurial process.

Coursework covers identifying business opportunities, developing unique business models, forming an entrepreneurial team, securing financial resources, and the importance and practical application of marketing, economics, accounting, finance, and management skills.

Important Details

At the discretion of the Quinlan School of Business, a maximum of one transfer course (<https://www.luc.edu/quinlan/academics/studentresources/undergraduate/transfercrredit/>) taken prior to matriculating at Loyola University Chicago may be allowed to satisfy minor requirements. A 2.0 average GPA is required for all attempted business courses. (BA in Economics students must also earn a 2.0 average GPA for all attempted Economics courses).

Quinlan students are limited to double dipping once (that is, counting one course twice) between any major or minor combination, regardless of what program the major or minor is taken in. Non-Quinlan students are limited to double dipping twice (that is, counting two courses twice) between business school minors and/or their respective majors.

Students planning to study abroad are encouraged to meet with their academic advisor early in the planning stage. A student will be permitted to take up to two approved courses in any Quinlan major or minor (and including BA Economics majors). All study abroad courses must be reviewed through the Study Abroad Office course approval process.
