

# CORE AREA AND COURSES

The University Core Curriculum includes 16 required courses distributed across 10 Core Areas. Core Curriculum coursework develops students' understanding in the Core Areas of Artistic, Ethical, Historical, Literary, Quantitative, Philosophical, Scientific, Societal and Cultural, and Theological and Religious Knowledge and Inquiry, as well written communication in the College Writing Seminar. In addition to knowledge and skills development, Core courses integrate and promote values essential to a Loyola education, such as understanding diversity in the US or the world, understanding and promoting justice, and understanding spirituality or faith in action in the world.
