

# REQUIREMENTS FOR STUDENTS ENTERING AS FRESHMEN

---

All Loyola students who enter as freshmen will follow the University Core Curriculum, which will entail completion of courses in the Core Areas (<https://catalog.luc.edu/undergraduate/university-requirements/university-core/core-area-and-courses/>).

Please refer to the transfer credit policy for new (first time) freshman (<https://catalog.luc.edu/academic-standards-regulations/undergraduate/>) administered by the Office of Registration and Records for more information on the credits that may count toward undergraduate degree requirements.
